Online Course Statement of Accomplishment

WITH DISTINCTION

VOLODYMYR CHISTIAKOV

HAS SUCCESSFULLY COMPLETED A FREE ONLINE OFFERING OF THE FOLLOWING COURSE
PROVIDED BY STANFORD UNIVERSITY THROUGH COURSERA INC.

Human-Computer Interaction

This course analyzed techniques of design such as rapid prototyping and evaluating interface alternatives, and how these practices inform the design of technology. Specific topics included mock-ups, field testing, principles of perception and evaluating designs with people.

ASSOCIATE PROFESSOR SCOTT KLEMMER
